

Privacy Notice - Training participant, Hanen LLLI trial 2022

Communicate SLT CIC takes the privacy and security of your personal information very seriously. This notice explains how we use the data provided to us when we are delivering *Learning Language and Loving It*[™]—The Hanen Program[®] for Early Childhood Educators (Hanen LLLI). Also, what information we will share and with whom. The funders of this project are the Education Endowment Foundation (EEF) and the Department for Education (DfE) and the evaluators are the National Centre for Social Research (NatCen).

What data will be collected?

Communicate employees will collect, store and use the following data about you:

- Training participants names, role, contact details, e.g. phone number and email, training attendance and information about the support provided.
- Relevant information feedback received from the training participant about their own experience, changes in their practice and their observations about impact on children and others.
- Hanen LLLI training programme requires training participants to record and share videos of themselves interacting with children.

Why we collect information

We use this information to:

- Notify participants of training and video review session times and help with the booking process.
- Support participants learning and self-reflection and the learning of other participants taking part in their programme.
- Gain feedback from participants to help with quality assurance and also to pass onto evaluators and funders.
- Provide information to the evaluators and funders about engagement and attendance, the support provided, practice changes, video scoring and perceived outcomes and impact.

Processing this personal information is necessary for us to fulfil our contracts with training commissioners, and we have a legitimate interest to process your information in order to deliver and complete the project (LLLI) and provide you with the best service we can.

How we store your information

As part of our commitment to protecting the security of any data we process, we have created a Privacy Policy and a Data Protection Impact Assessment (DPIA) to ensure we comply fully with the rules and legal conditions in relation to the obtaining, handling, processing, storage, transportation and destruction of personal information.

In addition, we have put further security measures in place to avoid data from being accessed, damaged, interfered with, lost, damaged, stolen or compromised. In cases of a breach, or suspected breach, of data security you will be informed, as will any appropriate regulator, in accordance with our legal obligations.

We will not use your information and data to make automated decisions about you or profile you.

Sharing your data

Information about attendance and engagement in events, workshop and video reflective practice sessions is shared with the evaluators (NatCen). The name and address of nursery settings will be shared with the evaluators (NatCen) and the funders (EEF and DfE).

Any other data that is shared with third parties is restricted to those who have a business need, in accordance with our guidance and in accordance with the duty of confidentiality.

Transferring your information outside of UK

We use Microsoft Office Business EU edition. As such we must inform you that as part of our processing activities your information will be transferred outside of UK to the following European Union countries:

Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain and Sweden.

There are adequacy decisions in respect of those countries. This means that the countries to which we transfer your information are deemed to provide an adequate level of protection for your personal information.

How long we store your information?

We intend to retain and store your information for the duration of the project and evaluation. We expect that the project will end in July 2023. When the project and evaluation are complete, we will securely delete your information in Dec 2024.

Your rights in relation to your personal data

Under certain circumstances, by law you have the right to:

- Request access to your personal data.
- Request correction of incomplete or inaccurate personal data we hold about you.
- Request erasure of your personal data.
- Object to processing of your personal data.
- Request the restriction of processing of your personal data.
- Withdraw your consent to the processing of your personal data.

Nurseries participating in the Hanen programme must inform the parents of children attending the nurseries of their involvement. Parents must be offered the opportunity to request that their child is

not visible in the videos that are shared with Communicate and used to support the learning of practitioner as part of the training. When parents inform the nursery that they want to withdraw their child's visual data in this way, it is the responsibility of the nursery to ensure that the child is not visible in the videos that are shared with Communicate.

We want to make sure that your personal information is accurate and up to date. You may ask us to correct or remove information that is inaccurate, and you have the right to request to be forgotten by us. You also have the right to request a copy of the information that we hold about you. To exercise any of your rights, please contact us by emailing enquire@communicate-slt.org.uk.

How to contact us?

Please contact Caroline Coyne, Director, at enquire@communicate-slt.org.uk or call **01253 462123** if you have any questions about our Privacy Policy or information we hold about you.
